

Boards for All

Acknowledgements and Credits 2012

Acknowledgements and Credits

Eastern Los Angeles Regional Center and the California State Council on Developmental Disabilities, with the Board Resource Center, created the **Boards for All** webcast training series in response to a state and national interest in a plain language approach to volunteer governance.

Boards for All is sequenced instruction with an easy-to-follow format that provides basic boardsmanship training to create opportunities for persons with low literacy skills or disabilities to be engaged members of boards of directors, committees and councils.

Sponsors

Eastern Los Angeles Regional Center (ELARC) is committed to serving persons with developmental disabilities and their families by coordinating services and supports that promote independent decision-making and fulfilling lives in the community.
