Abuse of Persons with Disabilities: A Silent Epidemic

Click on the image above to view this powerful video

People with disabilities are **4 to 10 times** more likely to be victims of a crime

Research continues to present us with a horrific picture. In the video "Abuse of Persons with Disabilities: The Silent Epidemic," Molly and Kecia ask all victims to join together to stop abuse. Their video is an easy-to-understand call to action. Please share, educate, organize and prevent!
