State Council on Developmental Disabilities

State Council on Developmental Disabilities

The State Council is established by state and federal law, it is an independent agency.

The Council's job is to ensure that people with developmental disabilities and their families receive the services and supports they need.

The Council believes

People with disabilities know best what supports and services they need to live independently and actively participate in their communities.

State Council Activities

Advocate for good laws.

Recommend policy changes.

Work to achieve a person-centered based system.

Self-Advocate Advisory Committee

The Committee acts as a voice for Californians with disabilities.

Promoting State Council participation and peer advocacy to advance independence and inclusion.

Committee members are members of the State Council and appointed by the Governor.

Advise the State Council on issues important to persons with developmental disabilities.

1

Help the Council set priorities and advocacy goals.

2

Give the State Council information about how the service system is working in our communities.

3

Give community, consumers and families information about issues important to persons with disabilities.

Self-Advocate Advisory Committee Priority

Focus on State Council Plan Goal #1

Individuals with developmental disabilities have information, skills, opportunities and support to:

- Advocate for rights and services.
- Achieve self determination, independence, productivity, integration and inclusion in all community life.

Self-Advocate Advisory Committee Action Plan

Committee members educate the community about the role and purpose of the State Council and Committee.

Members participate in -

- Statewide self-advocacy network
- Local self-advocacy groups
- Educate self-advocates at conferences
- Train self-advocates as peer trainers

Easy way to take charge, make plans and take thoughtful actions.
